25X1 REPORT

TOPIC BRIDGMANHATN Improved Airfield

25X1

25X1

10 November 1949

## REFERENCES

3.

REMARKS.

**RETURN TO CIA LIBRARY**

25X1 [redacted] the airplanes previously stationed there had been transferred in mid-August 1949.

Comment:

The biplanes were employed for insect pest-destruction flights over the surrounding woods. About five PO-2s were stationed at the airfield between February and August 1949, but no air unit is now located here.
